

To our valued guests and friends,

Salon Re is implementing a new policy regarding children in the salon. We write this with the utmost respect to our guests who are parents as over half of our staff are parents themselves.

Moving forward we would like to encourage parents to visit the salon without their children unless the child has an appointment. Additionally, we'd like encourage scheduling children's hair appointments separate from parents so that children are not unattended during a parent's appointment.

We feel that this will ensure a safer environment for our youngest guests as well as our staff. We work in a busy environment with sharp scissors and razors, with chemicals, and heat tools that can reach above 450 degrees. We want all of our guests to feel pampered and welcome and we count safety as a top priority as well.

If you have any questions or concerns, please feel free to contact us. Thank you for your understanding.

Warmest regards, The Salon Re family
